JULIANA SOPURUCHI UDEORJI

QA TESTER | QA AUTOMATION | API TESTING

Nigeria · julianahonour20@gmail.com · GitHub · LinkedIn

PROFILE

QA practitioner with crowdtesting experience and hands-on practice in manual testing, API testing with Postman, and browser automation with Playwright. Comfortable documenting reproducible steps, writing test cases, recording evidence, and tracking issues. Building a public portfolio of test projects and seeking a junior QA / QA automation opportunity.

QA SKILLS

Testing	Exploratory and manual testing, test cases, bug reports, regression/retesting workflows, evidence capture.
API	Postman collections, HTTP methods, assertions, variables, response validation; practice APIs and test environments.
Automation	Playwright, TypeScript, locators, assertions, login flows, product sorting, cart scenarios, cross-browser test runs.
Tools	Jira, GitHub Issues, Git/GitHub, browser developer tools, structured test documentation.

SELECTED QA PROJECTS

Playwright QA Automation — SauceDemo | View repository

Built browser tests for login, product sorting, cart interactions, and validation using Playwright and TypeScript. Repository records 30 passing tests across Chromium, Firefox, and WebKit; verify the current test run before citing this metric.

API Testing Practice — Postman | View repository

Created collections and test scripts for HTTP responses, variables, assertions, and response checks using practice endpoints. Documented expected results and sample observations; treated practice-environment behavior as learning evidence, not production defects.

Manual QA & Bug Reporting | View test evidence

Practised reproducible bug reports, expected-versus-actual results, test cases, evidence capture, and issue tracking through Jira/GitHub workflows.

EXPERIENCE

Customer Support Representative — Lombard | 2025–Present

Respond to customer enquiries, communicate information clearly, and help resolve service issues; use follow-up and documentation to support consistent service.

Customer Support & Marketing Executive — X8C | 2021–2022

Supported customer communication and marketing activities, responding to customer needs and helping maintain engagement.

Freelance QA Tester — Test.io | Jul 2020–Nov 2021

Participated in crowdtesting, explored web app experiences, and reported issues through structured testing workflows.

Domain Sales & Customer Relations — Self-employed | 2020–2024

Managed domain research, sales conversations, customer follow-up, and marketplace portfolio administration through DAN and Afternic; generated $40,000+ in domain sales (sales value, not profit).
